

One With Christ Romans 6:3-11

Originally, we were born into Adam's family. We are born again into Christ's family. Our identity has changed.

I have been _____ into Christ.

I am buried with Christ so that I may live in _____. The same power that raised Christ from the dead empowers us to live in a way we couldn't before our spiritual baptism.

"Union with Christ is not only the key to understanding justification—getting right with God by faith alone. Union with Christ is also the key to understanding sanctification—becoming a new kind of people, who don't continue in sin, who are no longer enslaved to sin, but who walk in newness of life."

~ John Piper, sermon on Romans 6, 08 Oct 2000
